**AGM 2018**

# Website launch

- ❖ Launch of the new ETN website: March 2018
- ❖ Domain name change → [www.etn.global](http://www.etn.global)
- ❖ Change of ETN office emails after the AGM:  
[nk@etn-gasturbine.eu](mailto:nk@etn-gasturbine.eu) → [nk@etn.global](mailto:nk@etn.global)

# What is new?

- ❖ New layout, navigation tools and structure
  - New sections such as Educational Courses
- ❖ Responsive design (mobile friendly)
- ❖ Registration for events

ETN office is also working on digitalisation of the database to optimise the time and improve the tools that are used for contacting our members

All the content from the old website is available also on the new website!

#### GAS TURBINE TECHNOLOGY

ETN aims to initiate projects and standardisations that can achieve tangible advances and cost reductions in gas turbine technology

## MEMBERS

### European Turbine Network - ETN

ETN is a non-profit membership association, bringing together the entire value chain of the stationary gas turbine technology (power generation and mechanical drive) community globally. ETN has currently 112 members.

ETN addresses the main challenges and concerns of gas turbine (GT) users in Committees and individual projects, composed of experts across
