LM2500 USER GROUP MEETING – SAVE THE DATE!

The LM2500 User Group meeting will be held on 20-21 June 2018 in Berlin, Germany, at Radisson Blu Hotel. Participation to the event is open for owners and operators of LM2500 engine User companies. ETN has negotiated special rates for rooms at Radisson Blu hotel for 150€ per night (single occupancy room). The prices are available for 19-21 June and are only valid for bookings to be made before 22 May. A draft agenda is already available on [our website](#). Registrations for the event will be open in the beginning of May. If you wish to receive notifications about the event, please contact Valentin Moëns at vm@etn.global.

NEW PROJECT BOARD MEMBERS

ETN Board has selected the new Project Board among the proposed candidates. The following ETN members will serve as Project Board members during the next two years:

- Abdulnaser Sayma – City, University of London
- Marco Ruggiero – BHGE
- Grant Terzer – Capstone
- Peter Jansohn – PSI
- Olaf Bernstrauch – Siemens
- Rene Vijgen – Sulzer
- Dominique Orhon – TOTAL
- Peter Kutne – DLR
- Chris Dagnall – DNV-GL
- Nicola Rossi – ENEL
- Peter Breuhaus – IRIS
- Yiguang Li – Cranfield University

The new Project Board members and their expertise will be listed on our website shortly.

SUCCESSFUL SGT-A35 UGM MEETING

A successful SGT-A35 (former Industrial RB211) User Group meeting was held on 26-27 April 2018 in Sitges, Spain, where the Users, Siemens and Independent Service Providers met to discuss the main issues the Users encounter while operating or maintaining this specific type of gas turbine. Overall the participants were very pleased with the event and enthusiastic about attending the meetings again next year.

AGM & WORKSHOP SUMMARY REPORT

The minutes of the AGM, the Workshop Summary Report, all presentations and photos are now available on [our website](#). Please note that you need to be logged in to access these documents.

EDUCATIONAL COURSES – INPUT REQUIRED!

ETN is currently collecting information about the technical gas turbine courses given by our members, with the aim to promote and share the knowledge and experience of our community. The programmes will be advertised on [our website](#), in the ETN publications and during our events. ETN has already received some queries from the representatives of our user community who would be interested to participate in such courses to be organised this year. If you would have any turbomachinery related courses available, please contact [Noora Kilpinen](#) with the following information:

- Course name, dates and number of sessions
- A short description of the content (link to the website if description available online)
- Location (please mention if online participation is possible)
- Pre-requirements (if any)
- Number of attendees (minimum/maximum)
- Price
