NEW ETN MEMBER

We warmly welcome Fiatec Filter & Aerosol Technologie GmbH who joined our network in May 2018. Fiatec GmbH is a specialised laboratory for air filter performance testing based in Mainleus, Germany.

LM2500 USER GROUP MEETING

ETN's LM2500 User Group meeting will take place on 20-21 June 2018 in Berlin, Germany, at Radisson Blu Hotel. The event is open for all representatives of LM2500 User companies, and registration is still possible via the [registration platform](#). A draft agenda and other details of the event are available on [our website](#). For any questions, please contact Valentin Moëns at vm@etn.global.

NEW ADDITIVE MANUFACTURING WORKING GROUP

Following the TC3 discussions during the AGM and Workshop 2018 in Bucharest, it was decided to launch a new Working Group within ETN on Additive Manufacturing. The group held a kick-off meeting in Finspång, Sweden, on 9 May 2018 to discuss the scope of the initiative and objectives of the new Working Group. During the meeting the representatives from BHGE, Capstone, Chromalloy, ENGIE, HiETA Technologies, MAN Diesel & Turbo, Siemens, Solar Turbines and Sulzer presented their ongoing activities on Additive Manufacturing. As a next step the Working Group will hold a teleconference call in June to present potential ideas and discuss the way forward. For further details, please contact Ugo Simeoni at us@etn.global.

NEXTURBINE 2018

The 7th Annual NexTurbine Summit took place 23-25 May 2018 in Jiangsu (Shanghai), China. With 326 participants it is the biggest gas turbine event in China, and well-attended by the Chinese users who this year represented 1/3 of the participants, coming from 39 different user

companies. Also impressive 19.000+ people followed the live coverage of the sessions via WeChat.

ETN AT ASME TURBO EXPO

ETN will participate in ASME Turbo Expo in Lillestrøm, Norway on 11-15 June 2018. In the afternoon on the 11 June EPRI and ETN will co-chair the Electric Power Committee Panel Session 8-7 *Combined Cycle Gas Turbine Asset Management: A Utility Industry Worldwide Perspective*. ETN will also be present in the Turbo Expo; come visit us in the exhibition area at booth 525 between 12 and 14 June!
