

## High-Level User Meeting

“Operational optimisation strategy and technology development needs for a low carbon society”

30 September 2019, Florence, Italy

ETN's High-Level User Meeting is an invitation-only meeting arranged in conjunction with ETN's October Workshop. This meeting is your opportunity to highlight areas of importance to your organisation and areas of interest for cooperation when it comes to operation & maintenance as well as future research & technology development. Your feedback will be presented to the General Assembly at the following ETN workshop and be taken into account in ETN's future strategy and activities.

### 13:00 – 13:30 **SESSION I: INTRODUCTION & ETN STRATEGY**

Welcome: Christer Björkqvist, ETN  
Chairperson: Bernard Quoi, TOTAL

ETN strategy to enable cost-efficient turbomachinery operations in the energy transition and beyond
