- (3) ETN Global Whitepaper: “The Critical role of dispatchable power generation for a sustainable and secure energy transition”

- (4) ETN Global Report: Hydrogen Gas Turbines

ETN Global is a non-profit membership association that, through cooperative efforts and by undertaking collaborative activities and projects, encourages and facilitates knowledge sharing and cooperation among its members. It aims to accelerate research, development, and demonstration of safe, secure, affordable, and dispatchable carbon-neutral energy solutions within the next decade."
